

**STANDARD INSURANCE COMPANY**

**SUMMARY**

**COVERAGE, LIMITATIONS AND EXCLUSIONS UNDER**

**RHODE ISLAND LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT  
("Act")**

A resident of Rhode Island who purchases life insurance, annuities, or accident and health insurance should know that an insurance company licensed in Rhode Island to write these types of insurance is a member of the Rhode Island Life and Health Guaranty Association ("Association"). The purpose of the Association is to assure that a policyholder will be protected within the statutory limits, if a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will, within statutory limits, pay the claims of insured persons who live in this state, and, in some cases, keep coverage in force. However, the protection provided through the Association is not unlimited. This protection is not a substitute for your care in selecting a company that is well managed and financially stable.

**IMPORTANT DISCLAIMER**

**RHODE ISLAND LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION  
235 PROMENADE STREET, PROVIDENCE, RI 02908  
TEL (401) 273-2921**

The Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Rhode Island. You should not rely on coverage by the Association in selecting an insurance company or insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus or self-funded plans.

Insurance companies or their agents are required by law to give or send you this summary. However, they are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance policy. Should you seek information as to the financial condition of any insurer or should you have any complaint as to an insurer's violation of the Act, you may contact the Division of Insurance at the address listed below.

**RHODE ISLAND DIVISION OF INSURANCE  
222 Richmond Street, Providence, RI 02903  
TEL (401) 222-2223**

The full text of the state law that provides for this safety net coverage, Rhode Island Life and Health Insurance Guarantee Association Act ("the Act"), can be found beginning at R.I. Gen. Laws §27-34.3-1. A brief summary of the Act is provided below. This summary does not cover all provisions of the law, nor does it in any way change your rights or obligations or those of the Association under the Act.

## **COVERAGE**

Generally, individuals will be protected by the Association if the individual lives in Rhode Island and: Holds a life or health contract or annuity contract; or is insured under a group insurance contract issued by a member insurer. The beneficiaries, payees, or assignees of insured persons are protected as well, even if they live elsewhere.

## **EXCLUSIONS FROM COVERAGE**

The Association does **NOT** protect a person holding a policy if:

- the individual is eligible for protection under a similar law of another state;
- the insurer was not authorized to do business in this state;
- the policy is issued by an organization that is not a member of the Association;
- the policy was issued by a nonprofit hospital or medical service organization (such as, the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments or by an insurance exchange.

The Association also does **NOT** provide coverage for:

- a policy or portion of a policy not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus; a policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed a rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- an employer's plan to the extent that it is self-funded (that is, not insured by an insurance company, even if an insurance company administers the plan);
- an unallocated annuity contract issued to an employee benefit plan protected under the United States Pension Benefit Guaranty Corporation;
- that part of an unallocated annuity contract not issued to a specific employee, union, association of natural persons benefit plan, or a government lottery;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer;
- any portion of a policy or contract to the extent that the required assessments are preempted by federal or state law;
- an obligation that does not arise under the express written terms of the policy or contract issued by the insurer.

## LIMITS ON AMOUNT OF COVERAGE

The Act limits the amount the Association is obligated to pay. The Association cannot pay more than what the insurer would have owed under a policy or contract. Also, for any one insured life, no matter how many policies or contracts were in force with the same insurer, the Association will pay no more than:

- \$300,000 in net life insurance death benefits and no more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;
- \$100,000 for health insurance benefits, coverages not defined as disability, basic hospital, medical, and surgical, or major medical insurance, including any net cash surrender and net cash withdrawal values;
- \$300,000 for disability insurance;
- \$500,000 for basic hospital, medical, and surgical or major medical insurance;
- \$100,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal value;
- \$100,000 in present value per payee with respect to a structured settlement annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values;
- \$100,000, in the aggregate, of the present value of annuity benefits, including net cash surrender and net cash withdrawal values, with respect to an individual participating in a governmental retirement plan established under 26 U.S.C. §§401, 403(b), or 457 and covered by an unallocated annuity contract, or to a beneficiary of the individual if the individual is deceased;
- \$5,000,000 in unallocated annuity contract benefits, irrespective of the number of contracts with respect to the contract owner or plan sponsor whose plan owns, directly or in trust, one or more unallocated annuity contracts.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the Act: For unallocated annuities that fund governmental retirement plans under sections 401(k), 403(b), or 457 of the Internal Revenue Code, the limit is \$100,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the Association be liable to spend more than \$300,000 in the aggregate per individual except hospital insurance up to \$500,000 per individual. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, the contract limits also apply.

These general statements as to Limitations on Coverage are only summaries of the law. The actual limitations are set forth in R.I. Gen. Laws §27-34.3-3.

## PART 2: ELIGIBILITY

---

### To Be Eligible for Insurance

...you must be in an Eligible Class and meet any required Work Test shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE.

### You Will Become Eligible for Insurance

...on the latest of:

- (1) the Group Policy Effective Date, if you are in an Eligible Class and have completed the required Waiting Period on that date; and
- (2) the first day after you complete any required Waiting Period shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE for your Eligible Class; and
- (3) the first day after you complete any required Waiting Period shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE for your Eligible Class, if you enter the class after the Group Policy Effective Date. However, if you were covered under a prior employer's group long term disability insurance plan, you will become eligible for insurance on the first day after you enter an Eligible Class, if:
  - (a) the prior plan provided income benefits for 5 or more years of disability; and
  - (b) you were covered under the prior plan within 3 months before the date you entered the Eligible Class;

provided you are Actively at Work on the date you are to become eligible. If you are incapable of Active Work on that date, you will become eligible on the date after you have completed 5 full consecutive days of Active Work.

### If You Are Rehired

...within 1 year of the date employment ceased you will become eligible for insurance on:

- (1) the date of your re-entry into an Eligible Class, if you meet any required Work Test shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE, and you were previously insured under the Group Policy; or
- (2) the date you become eligible for insurance as set forth in "You Will Become Eligible for Insurance" above, if you were not previously insured under the Group Policy. All full months of service in an Eligible Class prior to the date employment ceased will be used in determining this date.

You must be Actively at Work on the date you are to become eligible. If you are incapable of Active Work on that date, you will become eligible on the date after you have completed 5 full consecutive days of Active Work. If you are a rehired Employee, your most recent effective date of insurance will be used throughout this certificate as the date you became insured.

### To Become Insured

...you must be eligible for insurance.

### Your Insurance Will Become Effective

...on the date you become eligible, provided you are Actively at Work on the date the insurance is to begin. If you are incapable of Active Work on that date, your insurance will not become effective until the day after you have completed 5 full consecutive days of Active Work.

**The Active Work Requirement Will Not Apply To You**

...if you were covered under your Employer's prior group long term disability plan on the day before the effective date of your Employer's coverage under the Group Policy, you can become insured on the effective date of your Employer's coverage without being Actively at Work. The Monthly Income Benefit payable for a period of continuous Disability beginning before you are Actively at Work will be the monthly income benefit which would have been payable under the terms of that prior plan if it had remained in force, reduced by any benefits payable under that prior plan. There is no minimum Monthly Income Benefit if there is a reduction by benefits payable under that prior plan.

**The Cost For The Insurance**

...is paid by your Employer.

Generally near the Group Policy Anniversary Date, Standard reviews the plan and the premiums being charged. If a premium change is to be made, Standard will notify your Employer.

---

**PART 3: DISABILITY BENEFITS**

---

**WHEN BENEFITS START AND DURATION OF BENEFITS****Benefits Will Be Payable**

...as of the first day of the month after the end of the Elimination Period shown in "Benefits Start" in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE, if the following conditions are met:

- (1) Disability starts while you are insured under the Group Policy; and
- (2) Disability does not result from any cause set forth in PART 4: DISABILITIES NOT COVERED; and
- (3) proof of Disability is given to Standard as set forth in PART 7: GENERAL PROVISIONS; and
- (4) for payment of the Monthly Annuity Premium Benefit, the conditions set forth in "Types Of Benefits" in PART 3: DISABILITY BENEFITS.

However, if you:

- (1) return to Active Work for your Employer before benefits are payable; and
- (2) become Disabled again from the same or related cause within 90 days of your return to Active Work;

the term of Disability will be considered continuous. Any days of Active Work, however, will not count toward meeting the Elimination Period. This paragraph will not apply if you return to Active Work after the date the Group Policy terminates.

No benefits will be payable for the Elimination Period shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE.

**After Benefits Start, They Will Continue To Be Payable**

...each month during your term of continuous Disability. The last benefit payment will be made as of the first day of the month in which the earliest of these events occurs:

- (1) you are no longer Disabled; or

- (2) you reach a limit shown under "Benefits Continue" in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE; or
- (3) you die; or
- (4) you fail to provide proof of continued Disability and entitlement to benefits under the Group Policy; or
- (5) benefits become payable under any other long term disability plan under which you become insured through employment during a period of temporary recovery; or
- (6) you attain the time limit below, if Disability is caused or contributed to by the following or medical or surgical treatment of the following: Mental Illness; alcoholism and/or drug abuse; or use of alcohol or drugs unless prescribed by and taken in accordance with the instructions of a Physician. The time limit is the number of months of benefits shown under "Benefits Continue" in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE for Mental Illness or alcoholism and/or drug abuse or use of alcohol or drugs. Except, if at the end of that period you are confined to a Hospital or Institution, benefits will continue to be payable for the remainder of the confinement. Upon discharge:
  - (a) benefits will continue to be payable for 3 months, if you continue to be Disabled; and
  - (b) if during the 3 month period in (a) above, you are reconfined to a Hospital or Institution for at least 14 consecutive days, benefits will continue to be payable during the reconfinement and for an additional 3 months following your discharge.

Upon attaining the time limits shown under "Benefits Continue" in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE, no further benefits are payable for any Disability due to Mental Illness, alcoholism and/or drug abuse; or use of alcohol or drugs unless prescribed by and taken in accordance with the instructions of a Physician until after you:

- (a) have been insured under the Group Policy; and
- (b) have returned to Active Work for at least 6 continuous months.

**Recurrent Disability**

If, after benefits cease because you are no longer Disabled, you:

- (1) return to Active Work; and
- (2) become Disabled again from the same or related cause within 12 months after the date benefits ceased;

benefits will begin as of the first day of the month after Disability starts again and the term of Disability will be considered continuous.

Benefits payable during a term of recurrent Disability will be based on the provisions and Monthly Wage Base that applied to the prior term of Disability. This provision will not apply to you if you become Disabled again after your insurance ceases as set forth in PART 5: WHEN INSURANCE CEASES, nor will it apply to you if while receiving benefits you also attain a limit shown under "Benefits Continue" in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE.

**TYPES OF BENEFITS**

**(A) The Monthly Income Benefit**

...is equal to the amount shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE.

(In the case of the last benefit payment, Standard will use the amount of Benefits From Other Sources that applied to the prior month.) Benefits From Other Sources are set forth in detail in PART 8: DEFINITIONS.

If your Monthly Earnings While Disabled are 20% or less of your Increasing Monthly Wage Base, no change will be made to the amount of the Monthly Income Benefit.

If your Monthly Earnings While Disabled are more than 20% of your Increasing Monthly Wage Base after the Elimination Period, a Work Transition Period will be provided. During the Work Transition Period, no change will be made to the Monthly Income Benefit as shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE, except to stay within the 100% limit stated below. The Work Transition Period will begin the first month that your Monthly Earnings While Disabled are more than 20% of your Increasing Monthly Wage Base and will end after 12 consecutive months. In no event will the Work Transition Period exceed the first 12 months of benefits for you.

After the Work Transition Period, a percentage of the Monthly Income Benefit is payable. The percentage is obtained by dividing Lost Income by the Increasing Monthly Wage Base. That percentage is then applied as the multiplier to the amount of the Monthly Income Benefit. As any changes occur in your Monthly Earnings While Disabled, Increasing Monthly Wage Base, or Monthly Income Benefit, the amount of benefits payable by Standard on or after the date of the change will be adjusted to reflect the change.

If at any time, including during the Work Transition Period, the Monthly Income Benefit plus the combined monthly amount of Benefits From Other Sources and Monthly Earnings While Disabled exceed 100% of your Increasing Monthly Wage Base, the Monthly Income Benefit will be adjusted. When the adjustment is made, the Monthly Income Benefit plus the combined monthly amount of Benefits From Other Sources and Monthly Earnings While Disabled will equal 100% of your Increasing Monthly Wage Base.

You will no longer be Disabled when your Monthly Earnings While Disabled from your Normal Occupation or any other occupation equals 80% or more of your Increasing Monthly Wage Base.

In no event will the Monthly Income Benefit be less than the minimum Monthly Income Benefit shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE.

### **Payment of the Monthly Income Benefit**

The first benefit will be paid as of the first day of the month after the end of the Elimination Period shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE, and as of the first day of each month thereafter. Payment is subject to Standard's right to receive proof of continued Disability. Any unpaid benefits at your death will be paid to your estate. Standard reserves the right to pay any Monthly Income Benefit to any person as trustee for you if the trustee is a person by whom or an institution in which you are being maintained. Before payment is made to any person as trustee, Standard must be satisfied that you are not able, for physical or mental reasons, to accept payment. Such payment will discharge Standard's obligation for that payment. Standard will not be liable for the acts or neglects of any trustee to whom payment is made. The Monthly Income Benefit may be applied to reduce any overpayment of your claim.

- (B) The Monthly Annuity Premium Benefit for all Employees other than ERS participants**  
The amount of the Monthly Annuity Premium Benefit is determined as shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE.

The Monthly Annuity Premium Benefit will cease to be paid if you elect to receive, at any time during your Disability, all or any part of the benefit payable from your Employer's retirement plan under any option available.

The Monthly Annuity Premium Benefit does not apply to Supplemental Retirement Annuities (SRAs) or to premiums paid to them.

The Monthly Annuity Premium Benefit does not apply to employee voluntary retirement plans.

If your Monthly Earnings While Disabled are 20% or less of your Increasing Monthly Wage Base, no change will be made to the amount of the Monthly Annuity Premium Benefit.

If your Monthly Earnings While Disabled are more than 20% of your Increasing Monthly Wage Base after the Elimination Period, a Work Transition Period will be provided. During the Work Transition Period, no change will be made to the Monthly Annuity Premium Benefit as shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE. The Work Transition Period will begin the first month that your Monthly Earnings While Disabled are more than 20% of your Increasing Monthly Wage Base and will end after 12 consecutive months. In no event will the Work Transition Period exceed the first 12 months of benefits for you.

After the Work Transition Period, a percentage of the Monthly Annuity Premium Benefit is payable. The percentage is obtained by dividing Lost Income by the Increasing Monthly Wage Base. That percentage is then applied as the multiplier to the amount of the Monthly Annuity Premium Benefit. As any changes occur in your Monthly Earnings While Disabled, Increasing Monthly Wage Base, or Monthly Annuity Premium Benefit, the amount of benefits payable by Standard on or after the date of the change will be adjusted to reflect the change.

#### **Payment of the Monthly Annuity Premium Benefit for all Employees other than ERS participants**

You must be Disabled and eligible to receive a Monthly Income Benefit in order for the Monthly Annuity Premium Benefit to be payable.

The Monthly Annuity Premium Benefit is not payable directly to you. The Monthly Annuity Premium Benefit will be paid as a premium remitted on your behalf under the terms of your Employer's retirement plan.

The first benefit will be paid as of the first day of the month after the end of the Elimination Period shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE, and as of the first day of each month thereafter to the Plan Administrator of your Employer's retirement plan for contributions on your behalf to such retirement plan. Such payment will discharge Standard's obligation for that payment.

Except, if under the terms of your Employer's retirement plan you elect to participate in the TIAA-CREF option, this benefit or any portion thereof may be paid to a TIAA Retirement Annuity Contract and/or a CREF Retirement Unit-Annuity Certificate for you.

Any payment made will be divided according to any option available at the time the payment is made.

No payment will be made before the date your application is approved for the contract or certificate unless you already own such a contract or certificate. Except, if during a term of Disability you elect a benefit from such retirement plan, Standard will not accept an application for another contract or certificate.

Payment is subject to Standard's right to receive proof of continued Disability.

The Monthly Annuity Premium Benefit may be applied to reduce any overpayment of your claim.

#### **(C) The Annual Benefit Adjustment**

...will adjust the Monthly Income Benefit (including the minimum Monthly Income Benefit) and the Monthly Annuity Premium Benefit. The first adjustment will take effect as of the time shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE. Future adjustments will take effect on the first day of the same month each calendar year (January 1 - December 31) thereafter as long as benefits continue to be payable.

**(D) The Survivor Income Benefit**

...is determined as shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE.

The Survivor Income Benefit is payable as of the first day of the month after your death if you:

- (1) had been Disabled for the full 9 months prior to your death; and
- (2) are survived by one or more Surviving Dependents.

**A Surviving Dependent**

...is your:

- (1) spouse; or
- (2) child who was:
  - (a) unmarried; and
  - (b) dependent on you for support and maintenance; and
  - (c) less than 19 years of age, or less than 25 years of age and enrolled in a school as a full-time student.

The term "child" includes an adopted child or step child, but not a foster child.

**Payment of the Survivor Income Benefit**

This benefit is payable as of the first day of the month after your death. The Survivor Income Benefit will be paid in one lump sum. The Survivor Income Benefit will first be applied to reduce any overpayment of your claim. Your Surviving Dependent spouse, if living, will receive the benefit; otherwise, the benefit will be paid in equal shares to all your Surviving Dependent children. If this benefit is payable to your Surviving Dependent children, Standard reserves the right to pay the benefit to a person or persons whom Standard is satisfied should receive the benefit on the children's behalf. Such payment will discharge Standard's obligation for that payment. If no Surviving Dependents are alive at your death, the Survivor Income Benefit will not be paid. Standard will not be liable for the acts or neglects of any person or persons to whom payment is made.

Proof of your death will be required before the Survivor Income Benefit is paid. Standard may also require proof that a dependent is a Surviving Dependent. All proof must be satisfactory to Standard.

## **PART 6: APPLYING FOR BENEFITS AND REQUESTING INFORMATION**

---

### **Applying for Benefits**

When you anticipate that your Disability will extend beyond the end of the Elimination Period shown in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE, you should request an application for benefits. Your Employer or the Policyholder can supply the application and help you complete it.

#### **(A) Time Limits**

Time limits for sending the application, proof of Disability, or other proof are set forth in PART 7: GENERAL PROVISIONS.

#### **(B) Notice Of Decision On Claim**

Standard will evaluate your application for benefits promptly after you file it. Within 45 days after Standard receives your application for benefits you will be sent: (1) a written decision on your application; or (2) a notice that Standard is extending the period to decide your application for 30 days. Before the end of this extension period Standard will send you: (a) a written decision on your application for benefits; or (b) a notice that Standard is extending the period to decide your application for an additional 30 days. If an extension is due to your failure to provide information necessary to decide the application for benefits, the extended time period for deciding your application will not begin until you provide the information or otherwise respond.

If Standard extends the period to decide your application for benefits, you will be notified of the following:

- (1) the reasons for the extension; and
- (2) when Standard expects to decide your application; and
- (3) an explanation of the standards on which entitlement to benefits is based; and
- (4) the unresolved issues preventing a decision; and

You may send Standard written comments or other items to support your application for benefits. You may review and receive copies of any non-privileged information that is relevant to your request for review. There will be no charge for such copies. You may request the names of medical or vocational experts who provided advice to Standard about your application for benefits.

The person conducting the review will be someone other than the person who denied the application for benefits and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based on a medical judgement, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original medical judgement and will not be subordinate to that person. Standard's review will include any written comments or other items you submit to support your application for benefits.

Standard will review your application for benefits promptly after Standard receives your request. Within 45 days after your request for review is received Standard will send you: (1) a written decision on review; or (2) a notice that Standard is extending the review period for 45 days. If the extension is due to your failure to provide information necessary to decide the application for benefits on review, the extended time period for review of your application for benefits will not begin until you provide the information or otherwise respond.

If Standard extends the review period, you will be notified of the following: (a) the reasons for the extension; (b) when Standard expects to decide your application for benefits on review; and (c) any additional information needed to decide your application for benefits.

If Standard requests additional information, you will have 45 days to provide the information. If you do not provide the requested information within 45 days, Standard may conclude the review of your application for benefits based on the information already received.

If Standard denies any part of your application for benefits on review, you will receive a written notice of denial containing:

- (e) information concerning your right to bring a civil action for benefits under section 502(a) of ERISA.

The Group Policy does not provide voluntary alternative dispute resolution options.

Standard will comply with any shorter time limits which may be required by the laws or regulations of the state in which the Group Policy is issued.

#### **Requests for Information About Your Insurance**

Please direct any written request for information about the Group Policy, its terms, conditions, interpretations, application for benefits thereunder, and review of an application to: The Standard Benefit Administrators, P.O. Box 5031, White Plains, New York 10602-5031.

## **PART 7: GENERAL PROVISIONS**

#### **Proof of Disability and Other Proof**

Standard must receive written proof of Disability within 180 days after the end of the Elimination Period. While benefits are payable, proof of continued Disability is required at reasonable intervals to be determined by Standard. If benefits cease, in whole or in part, proof of continued Disability or other proof must be provided within 90 days thereafter. All proof must be satisfactory to Standard.

No claim will be denied or reduced if it was not reasonably possible for you to give proof of Disability or other proof at the time it was required and it is given as soon as reasonably possible, but not later than one year from the date such proof was required. These time limits will not apply while you lack legal capacity. If proof of Disability or other proof is not provided within the required time, no benefits will be paid and the time limits set forth in "Legal Proceedings Against Standard" will begin.

#### **(A) Written Proof**

Forms for filing proof will be sent to you or to your Employer when Standard receives a request for them. If forms are not sent within 15 days after Standard's receipt of a request, you can apply for benefits in a letter to Standard stating the date Disability began and the cause and the nature of the Disability.

#### **(B) Types of Proof**

Standard may require you to submit at your expense as part of the proof of Disability: claim statements, statements of treating physicians or other medical professionals; copies of test reports or examinations; x-rays and hospital records; and proof of physical impairment that results from anatomical or physiological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques except that for claims of Disability due to Mental Illness such proof will not be required if it is not reasonably available. If the required proof is not provided within 45 days after we mail our request, your claim may be denied.

**(C) Other Proof**

Other proof that Standard may require you to submit at your expense are: sufficient evidence that you have applied for all of the Benefits From Other Sources; prompt receipt of all written benefit decisions made by the providers of the Benefits From Other Sources; employment records, financial records, including copies of tax returns for you and for any business in which you participate as a principal; and any other information Standard may reasonably require to determine benefits payable. If the required proof is not provided within 45 days after we mail our request, your claim may be denied.

**Investigation of Claim**

Standard may investigate your claim at any time. Standard may require at its expense medical examinations by impartial specialists and investigations conducted by Standard or outside agencies. Standard will have the right and the chance to examine you at such times as it may reasonably require. Standard may also require records that are in your Employer's possession, control, or custody, and may require one or more interviews with you. Benefits may be denied or suspended if you fail to comply with Standard's request for an examination or fail to cooperate with the examiner.

**Overpayment of Benefits**

Any overpayment of benefits must be repaid to Standard. To recoup the amount overpaid, Standard, at its option will:

- (1) require that the amount be repaid by you to Standard in one sum; or
- (2) withhold the amount from your future benefits payable under the Group Policy; or
- (3) take any legal action it deems necessary.

**Assignment**

You may not assign any insurance provided under the Group Policy. Any such action will be void and of no effect.

**The Group Policy**

Standard and the Policyholder may agree to terminate or change any part of the Group Policy without your consent. The Policyholder may terminate the Group Policy in whole, and may terminate insurance for any classes or groups of Employees. Any change or amendment of the Group Policy may apply to current or future Employees or to any classes or groups of Employees. Such termination or change will not affect your benefits for a Disability which then exists.

Also, the Group Policy will terminate automatically due to non-payment of premiums by the Policyholder in accordance with the terms of the Group Policy. Also, Standard may terminate the Group Policy as of any date set forth below by giving notice in writing which is mailed to the Policyholder at least 31 days before this date:

- (1) the Group Policy Anniversary Date; or
- (2) any premium due date, if on a prior premium due date the participation requirements set forth in the Group Policy have not been met.

Benefits under the Group Policy are limited to its terms, including any valid amendment. No change or amendment will be valid unless it is approved in writing by one of Standard's executive officers and given to the Policyholder for attachment to the Group Policy. The Policyholder, your Employer, and their respective employees or representatives have no right or authority to change or amend the Group Policy or to waive any of its terms or provisions without Standard's signed, written approval.

Standard may change the Group Policy in whole or in part if:

- (1) the change in the Group Policy is either requested by the Policyholder or is made to satisfy any legal requirement that applies to the Group Policy; or

- (2) the change affects Standard's administration of the Group Policy and is intended to apply to all similar group insurance policies that are affected by the change. Standard will give the Policyholder written notice of Standard's intent to make this kind of a change at least 31 days in advance of the effective date of the change. Payment of the next premium due under the Group Policy will be the Policyholder's acceptance of the change, unless the Policyholder rejects the change, in writing, prior to its effective date.

Neither the Policyholder nor your Employer are Standard's agent or representative. Standard will not be responsible or liable for any act or omissions of either of them.

#### **Discretionary Authority For Claims**

Benefits under the Group Policy will be paid only if Standard decides in its discretion that you are entitled to them. This discretionary authority includes determining eligibility for benefits and interpreting the terms of the Group Policy.

#### **Legal Proceedings Against Standard**

No action or suit will be brought to recover under the Group Policy unless it is brought later than 60 days after proof of Disability has been given as required by the Group Policy. No such action will be brought at all unless it is brought within 2 years from the end of the time within which proof of Disability or other proof is required by the Group Policy.

#### **Incontestability of Insurance**

Any statement made to obtain or to increase insurance is a representation and not a warranty.

No misrepresentation will be used to reduce or deny a claim or contest the validity of insurance unless:

- (1) the insurance would not have been approved if Standard had known the truth; and
- (2) Standard has given you or any other person claiming benefits a copy of the signed written instrument which contains the misrepresentation.

After insurance has been in effect for two years, during the lifetime of the insured, Standard will not use a misrepresentation to reduce or deny the claim unless it was a fraudulent misrepresentation.

#### **Incontestability of the Group Policy or Employer Coverage Under the Group Policy**

Any statement made by the Policyholder to obtain the Group Policy or made by an Employer to obtain coverage under the Group Policy is a representation and not a warranty.

No misrepresentation by the Policyholder or Employer will be used to deny a claim, or to deny the validity of the Group Policy or the Employer's coverage under the Group Policy unless:

- (1) the Group Policy would not have been issued or the Employer's coverage under the Group Policy would not have been approved if Standard had known the truth; and
- (2) Standard has given the Policyholder or Employer a copy of a written instrument signed by the Policyholder or Employer which contains the misrepresentation.

The validity of the Group Policy or the Employer's coverage under the Group Policy will not be contested after it has been in force for two years, except for nonpayment of premiums or fraudulent misrepresentations.

#### **Clerical Error**

Clerical error by the Policyholder, your Employer, or their respective employees or representatives will not:

- (1) cause a person to become insured; or
- (2) invalidate insurance under the Group Policy otherwise validly in force; or
- (3) continue insurance under the Group Policy otherwise validly terminated; or

- (4) cause an Employer to become covered under the Group Policy.

**Misstatement**

If a person's age has been misstated, Standard will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on:

- (1) the amount of insurance based on the correct age; and
- (2) the difference between the premiums paid and the premiums which would have been paid if the age had been correctly stated.

---

**PART 8: DEFINITIONS**

---

**The Following Terms Have the Meaning Set Forth Below**

For purposes of becoming eligible for insurance, and becoming insured, Actively At Work will include regularly scheduled days off, holidays, or vacation days, so long as you are capable of Active Work on those days and you were Actively At Work on the last day required to be at the workplace.

**Benefits From Other Sources**

...are benefit amounts available or provided to you as set forth below. One sum amounts will be divided into monthly amounts to be applied during the time for which the sum was applicable or is estimated by Standard to have been payable.

**(A) Social Security or Similar Benefits**

...are any benefit amounts that are payable for disability or retirement on your wage record under the Social Security Act of the United States or any similar United States or foreign government program.

- (1) Included in these amounts are benefits that are payable to you and to your dependents who are defined as such in the act or program. Any reduced amounts payable for your retirement will be included only if such amounts are elected. Any retirement benefit amounts being paid to you at age 70 or over will not be included if the amounts were being paid prior to the date Disability started.
- (2) These amounts will be determined under the provisions of the act or program in effect at the time benefits under the Group Policy are first payable for a term of Disability.
- (3) These amounts, except any reduced retirement benefits, will be deemed payable and offset accordingly unless the required application and all available appeals have been filed with and declined by the government program. Before receipt of the government program's final written benefit decision, Standard will estimate the amounts that are payable and will use the estimate to determine the amount of Benefits From Other Sources. If Standard's estimate and amounts awarded differ, Standard will adjust Benefits From Other Sources accordingly after it receives the final written benefit decision.

- (4) Standard will not offset the estimated amounts if you:
  - (a) give Standard written proof that you have applied for the benefits, and have been declined, and provide, on an ongoing basis, written proof that you have pursued each and every appeal that is available; and
  - (b) sign an agreement to repay to Standard any amount of an overpayment that is caused by an award of benefits, as set forth in "Overpayment of Benefits" in PART 7: GENERAL PROVISIONS.
- (5) If these amounts decrease or stop because you refuse to accept rehabilitation under the act or program, Standard will continue to include these amounts as Benefits From Other Sources without any adjustment to reflect the change.

**(B) Workers' Compensation or Similar Benefits**

...are any benefit amounts, including amounts for partial or total disability, whether permanent, temporary, or vocational, or whether paid either monthly or one sum amounts, and any form of settlement, that are payable under any workers' compensation law or similar law.

These amounts will be deemed payable and offset accordingly unless the required application and all available appeals have been filed and declined. Before receipt of the final written benefit decision, Standard will estimate the amounts that are payable and will use the estimate to determine the amount of Benefits From Other Sources.

If Standard's estimate and amounts awarded differ, Standard will adjust Benefits From Other Sources accordingly after it receives the final written benefit decision.

Standard will not offset the estimated amounts if you give Standard written proof that you have applied for the benefits, and have been declined, and provide, on an ongoing basis, written proof that you have pursued each and every appeal that is available; and you sign an agreement to repay to Standard any amount of an overpayment that is caused by an award of benefits, as set forth in "Overpayment of Benefits" in PART 7: GENERAL PROVISIONS.

**(C) Other Benefits**

...are any:

- (1) benefit amounts that are payable for disability under any other group insurance coverage; or
- (2) benefit amounts that are payable for retirement under any plan to which any employer contributed and which you:
  - (a) elect to receive; or
  - (b) receive as of the later of age 62 or the normal retirement age under the Social Security Act.

Amounts payable for retirement will not include those benefits payable based on contributions you made. Regardless of how funds from the retirement plan are distributed, Standard will consider your and the employer contributions to be distributed simultaneously throughout your lifetime.

These amounts will be deemed payable and offset accordingly unless the required application and all available appeals have been filed and declined. Before receipt of the final written benefit decision, Standard will estimate the amounts that are payable and will use the estimate to determine the amount of Benefits From Other Sources.

If Standard's estimate and the actual amounts paid or payable differ, Standard will adjust Benefits From Other Sources accordingly after Standard receives the final written benefit decision.

Standard will not offset the estimated amounts if you give Standard written proof that you have applied for the benefits, and have been declined, and provide, on an ongoing basis, written proof that you have pursued each and every appeal that is available; and you sign an agreement to repay to Standard any amount of an overpayment that is caused by an award of benefits, as set forth in "Overpayment of Benefits" in PART 7: GENERAL PROVISIONS.

Benefits From Other Sources includes any amounts paid by compromise, settlement, or other method as a result of a claim for any of the above, whether disputed or undisputed.

Benefits From Other Sources will not include amounts paid to you for a continuous disability that starts before a Disability for which benefits are payable under the Group Policy.

**For Amounts Paid in One Sum**

...or by a method other than monthly, Standard will determine your Monthly Income Benefit using a prorated amount. We will use the period of time to which the Benefits From Other Sources applies. If no period of time is stated, Standard will use a reasonable one.

For amounts under a workers' compensation law or any similar act or law, the period of time used to prorate the amount cannot exceed the first to occur of the following:

- (1) the date you reach age 65, or the age limit for benefits shown under "Benefits Continue" in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE, if later; and
- (2) the end of the stated period.

If you receive a one sum refund, withdrawal or distribution of contributions and earnings from your Employer's retirement plan, Standard will determine your Monthly Income Benefit using a lifetime monthly annuity amount, with no survivor income. The annuity will be based on the amount you receive, and on the life expectancy of a person your age on the later of:

- (1) the date the one sum is paid; and
- (2) the date Monthly Income Benefits become payable.

**Changes in the Amounts of Benefits From Other Sources**

...will not be made by Standard for any cost of living increase that takes effect in such benefits after the date benefits under the Group Policy are first payable for a term of Disability.

If any other change occurs in the amounts of Benefits From Other Sources, except as set forth above in (A) (5), the amount of benefits payable under the Group Policy after the date of the change will be adjusted to reflect the change.

**Disability or Disabled**

...is either:

- (1) for the Elimination Period and for the Normal Occupation Period, being unable due to sickness, bodily injury, or pregnancy to perform with reasonable continuity the Material Duties of your Normal Occupation; and  
for the Any Occupation Period, being unable due to sickness, bodily injury, or pregnancy to perform with reasonable continuity the Material Duties of any occupation for which you are reasonably qualified by education, training, or experience; or
- (2) after you have been continuously Disabled for the Elimination Period, working, but due to sickness, bodily injury, or pregnancy being unable to earn 80% or more of your Increasing Monthly Wage Base.

The Elimination Period, the Normal Occupation Period, and the Any Occupation Period are shown under "Benefits" in PART 1: LONG TERM DISABILITY INSURANCE AT A GLANCE.

**Employee**

...is a regular employee of the Employer who is a citizen or resident of the United States or Canada, excluding temporary or seasonal employees, full-time members of the armed forces of any country, leased employees, and independent contractors.

**Employer**

...is an employer, including any approved affiliates and subsidiaries, for which coverage under the Group Policy is approved in writing by Standard.

**Group Policy**

...is the group long term disability insurance policy issued by Standard to the Policyholder and identified by the Group Policy Number, the Policyholder's attached application, group long term disability insurance certificates with the same Group Policy Number, and any amendments or endorsements to the policy or certificates.

**Hospital or Institution**

...is a facility licensed to provide care and treatment for the condition causing your Disability.

**Lost Income**

...is the Increasing Monthly Wage Base less Monthly Earnings While Disabled.

**Material Duties**

...are the essential tasks, functions and operations, and the skills, abilities, knowledge, training and experience, generally required by employers from those engaged in a particular occupation that cannot be reasonably modified or omitted.

**Mental Illness**

...is any mental, emotional, behavioral, psychological, personality, cognitive, mood or stress-related abnormality, disorder, disturbance, dysfunction or syndrome, regardless of cause (including any biological or biochemical disorder or imbalance of the brain) or the presence of physical symptoms. Mental Illness includes, but is not limited to, bipolar affective disorder, organic brain syndrome, schizophrenia, psychotic illness, manic depressive illness, depression and depressive disorders, anxiety and anxiety disorders.

**Monthly Earnings While Disabled**

...are 1/12<sup>th</sup> of the basic annual wage payable by your Employer or another employer and a monthly portion of other types of compensation (such as self-employment income, grants, or bonuses) for work performed during a term of Disability. Monthly Earnings While Disabled includes earnings from your Employer, any other employer, or self-employment, and any sick pay, vacation pay, annual or personal leave pay, or other salary continuation earned or accrued while working. In determining your Monthly Earnings While Disabled, Standard:

- (1) will use the financial accounting method you use for income tax purposes, if you use that method on a consistent basis; and
- (2) will not be limited to the taxable income you report to the Internal Revenue Service; and
- (3) may ignore expenses under section 179 of the IRC as a deduction from your gross earnings; and
- (4) may ignore depreciation as a deduction from your gross earnings; and
- (5) may adjust the financial information you give Standard in order to clearly reflect your Monthly Earnings While Disabled.

If Standard determines that your earnings vary substantially from month to month, Standard may determine your Monthly Earnings While Disabled by averaging your earnings over the most recent three month period.

If your earnings consist of other than 12 monthly payments, the Monthly Earnings While Disabled will be 1/12<sup>th</sup> of the total annual amount of such payments. One sum amounts will be divided into monthly amounts to be applied during the term of Disability for which the sum was paid or is estimated by Standard to have been paid.

### **Monthly Wage Base**

...is 1/12<sup>th</sup> of your basic annual wage payable by your Employer at the start of a term of continuous Disability. Any change in your earnings after your last day of Active Work will not affect your Monthly Wage Base. The basic annual wage excludes overtime pay, commissions, bonuses, and any other types of extra compensation. If your basic annual wage consists of other than 12 monthly payments, your Monthly Wage Base will be 1/12<sup>th</sup> of the total annual amount of such payments. If you are paid hourly, your basic annual wage is based on your hourly pay rate multiplied by the number of hours you are regularly scheduled to work per month, but not more than 173 hours, multiplied by 12 months.

Basic annual wage includes:

- (1) contributions you make through a salary reduction agreement with your Employer to:
  - (a) an Internal Revenue Code (IRC) Section 401(k), 403(b), 408(k), 408(p) or 457 deferred compensation arrangement; or
  - (b) an executive nonqualified deferred compensation arrangement; and
- (2) amounts contributed to your fringe benefits according to a salary reduction agreement under an IRC Section 125 plan.

Your basic annual wage does not include your Employer's contributions on your behalf to any deferred compensation arrangement or pension plan.

### **Increasing Monthly Wage Base**

...is your Monthly Wage Base compounded annually by 3%.

The first increase will take effect as of 12 months after the date benefits are first payable. Prior to that date your Increasing Monthly Wage Base is equal to your Monthly Wage Base. Future increases will take effect on the first day of the same month each year thereafter as long as Disability continues.

### **Normal Occupation**

...includes any employment, business, trade, or profession that involves Material Duties of the same general character as the type of occupation you are regularly performing for your Employer when Disability begins. In determining your Normal Occupation, Standard is not limited to looking at the way you perform your job for your Employer, but may also look at the way this type of occupation is generally performed. If your Normal Occupation involves the rendering of professional services and you are required to have a professional or occupational license in order to work, your Normal Occupation is as broad as the scope of your license. You are not Disabled if you are able to perform one or more occupations within the scope of your license.

### **Physician**

...is a physician legally licensed to practice medicine and surgery, or is a person who has a doctoral degree in Psychology (Ph.D. or Psy.D.) and who primarily treats patients. A Physician must be someone other than yourself, or a member of your family or your spouse's family.

### **Regular Care**

...is:

- (1) regular in-person visits with your Physician as frequently as required under standard medical practice to effectively manage and treat your Disability. Your Physician must

be a Physician whose specialty, expertise and experience are appropriate for the care and treatment of your Disability; and

- (2) a reasonable program of care and treatment that is, in accordance with accepted medical practice, expected to enhance your ability to work, and which is provided by a Physician whose specialty, expertise and experience are appropriate for the care and treatment of your Disability. This (2) will not apply if Standard determines that under accepted medical practice there is no reasonable program of care or treatment for your Disability that will enhance your ability to work.
