Assists students, individually or in groups, with College Scheduler class registration, Satisfactory Academic Progress workshops, etc
- Monitor and outreach to students, intervene early with students and assist students through the satisfactory academic progress process. Assist students with financial aid appeal package completion; review documentation, make appeal decision and complete decision documentation. Establish and monitor educational plan for students with approved appeals
- Possess thorough understanding of CCRI knowledge, policies, procedures, systems to effectively and accurately guide and coach students with situation applications and self-service usage. Maintain a mastery of advising content knowledge for academic programs
- Maintain basic knowledge of federal and institutional policies and regulations pertaining to Federal Title IV, RI Promise, payment plans, and billing system by participating in ongoing internal and external training

Communication:

- Be highly visible and dynamic through interactions with students by phone, video conferencing, text, and email on a regular and consistent basis
- Manage and coach assigned students from first class start to degree completion through proactive service and outreach
- Communicate directly with students to resolve current account balances using a high level of customer service and problem-solving skills to prevent interruption to their program
- Provide options to students regarding all payment options and guide students through the steps of the financial aid process

Relationship Building:

- Proactively develop and maintain relationships with students by establishing rapport and trust, educating them on CCRI programs and services, academic requirements and preparing them for academic success
- Employ a holistic advising approach that allows for in-depth conversations with advisees, while establishing roles of trust, and allows for effective referral of students to available resources
- Guide students by engaging in a consultative dialogue based on student needs, motivations, career and educational goals; presenting information in a professional, articulate, and confident manner
- Inspire, coach and advise assigned population of students on their program, learning environment, administrative and registration processes, and potential life issues such as time management, academic challenges and study skills through graduation

Student Onboarding Support:

- Provide and educate students with available tools (e.g., Degree Works) and resources (e.g., Tutoring) by anticipating needs through consultative conversations
- Provides students with an introduction to support services, technologies, and required actions (e.g., Verification of Enrollment, Drop for Non-Payment, etc.) to support self-service behavior and success
- Provide comprehensive responses to student questions regarding transfer credit, transcripts, document tracking and other records being sent to CCRI
